C&D plan: Communicate your activity

Activity Day for a socio cultural center

Strasbourg / Neuhof / Fête du Polygone – 04/07/2018

Date: 04/ 07/ 2018	Venue: [Strasbourg / France]	N° of direct beneficiary 19
<p>Description of the activity implemented: The activity was implemented by the Strasbourg Municipality in cooperation with Makers for Change.</p> <p>Makers For Change’s aim is to create links between people from different communities - mainly asylum seekers and refugees - and empowered them to carry out activities and projects together, around their areas of interest and hobbies.</p> <p>The objectives for the group are :</p> <ul style="list-style-type: none"> • Develop soft skills • Understand the project management • Creat links between different communities <p>Context Every year, a Cultural center in Strasbourg, partner of Makers For Change, organizes an annual Event where they invite the whole neighbourhood and offer them food, activities and games. This year, Makers for Changed co-organized with them this annual day and helped them in the organization and animation. Makers For Change worked together with a group of new comers to prepare the activities for the day under the URGENT project framework.</p> <p>Makers For Change supported a group of newcomers over several weeks to create activities and events, as a whole project. The groups of newcomers has acted as coordinators and moderators for the event. The group chose to organize activities around food and sports and took the lead as project managers. To prepare the activities, the group met during 4 sessions within one month to plan and organise the activities.</p> <p>The D-Day, (4th of July) the group implemented the activities in the cultural center where dabout 150 people present. They made a cooking lesson, they animated sport activities for children and they create a football team to play during the match organized by the cultural center.</p> <p>Few days after, we made a debrief of the day, and the experience, and the group together worked to valorise the skills acquired during this experience</p>
